DC/23/03569	Barham And Claydon Surgery, Kirby Rise, Barham, Ipswich Suffolk IP6 0AS Full Planning Application - Erection of 8 No. Dwellings and associated infrastructure (following removal of existing building). PC comment..... <ul style="list-style-type: none"> • Due to no footpath has been planned, the surround roads are far to narrow. This will leave residents parking on the road, which will causes obstructions. • Dangerous access and egress., bad site lines on exit either Church Lane or onto the main Road, due to being very close to other junctions. • Houses proposed on the corner of Church Lane would add to the dangerous exit. • Height of the proposed development will over look current residents homes.
